7.0 Notice of Motions

7.1 Submitted by Councillor Mike Bray

"That Meath County Council's Transportation Department engage with other relevant council departments and the necessary external bodies to identify and secure funding and support for the assessments required to progress the Local Improvement Scheme (LIS) application at Drewstown, which would provide improved access to Girley Bog. Given the significance of Girley Bog as a key tourism asset in the county, the Council should take a proactive role in advancing this project."
