5.1 Submitted by Councillor Fionnan Blake

"Can I get an update on the streetlights of the L5013, Bog Road, Dunshaughlin"?

5.2 Submitted by Councillor Caroline O'Reilly

"To ask Meath County Council why no traffic calming ramp has yet been installed at Batterstown, despite repeated correspondence and commitments given previously, and given that local families are contacting me about the ongoing danger of speeding trucks through the village. Can the Council provide a clear timeline for when this long-promised safety measure will be delivered?"

6.0 Notice of Motions

6.1 Submitted by Councillor Fionnan Blake

"To call on Meath County Council to put in a speed ramp, as a traffic calming measure, on the Dublin side of the front gate of ST. Seachnalls National School."

6.2 Submitted by Councillor Caroline O'Reilly

"That Meath County Council carry out an immediate traffic survey in Foxlodge Manor and Foxlodge Woods, Ratoath, with a view to installing traffic calming ramps. I have made repeated representations on this issue since April, yet residents continue to report dangerous speeding and antisocial driving in the estate. A survey and follow-up action must now be prioritised without further delay"
