4.0 Notice of Motion referred from Pleanary to SPC for discussion
Submitted by Councillor Sharon Tolan

"To comply with Meath County Development Plan MOV OBJ 43, "To implement a programme of traffic and parking management measures in towns and villages throughout the County", I call on Meath County Council's Transportation SPC to investigate a pilot scheme for the Laytown-Bettystown MD, for the implementation of restrictive parking arrangements on the main streets on weekdays. This pilot scheme could be introduced in a similar way to the scheme introduced by Westmeath County Council in towns like Moate and restrict on street parking on the main streets to a limit of 2 or 3 hours maximum on weekdays, with business and residential permits allowed. This measure is required to ensure that local rate payers are fully supported to continue to do business in our towns and villages, and customers can access convenient short-term parking."
