6.0 Notice of Motions

6.1 Submitted by Councillor Nick Killian

"To request the Area Manager to initiate the preparation for construction and funding of the link road between Ballybin and Moulden Bridge Estate that was zoned and outlined in 2001 Development Plan Map. This objective will provide an additional access point to alleviate traffic coming through Ratoath Village and onto outer relief road to Fairyhouse Road in an environmentally sustainable manner."

6.2 Submitted by Councillor Caroline O'Reilly

"That Meath County Council immediately reassess the condition and priority status of the L-2210, and that this road be prioritised for earlier structural restoration

works. Given its worsening condition, safety risks and high local usage, this Municipal District requests that the scheduled 2027 works be brought forward and delivered as soon as possible, and that the Transportation Department seek any available alternative or supplementary funding to facilitate this."
