Clár / Agenda

5.2 Submitted by Councillor Francis Deane

"What is the up to date status on works to be carried out at Circle K junction, Proudstown Road, Beaufort Estate and the new footpath at St Oliver's Church?"

5.3 Submitted by Councillor John Duffy

"Following the granting of planning on 19/08/2025 for the construction of the LDR1(a) , when does Meath County Council envisage the commencement of this project and time frame for its completion and what plans have Meath County Council in place by way of available Developer Funds or otherwise to ensure the completion of both Limekiln Hall and Limekiln Woods so that those estates can be taken in charge?"

5.4 Submitted by Councillor Eddie Fennessy

"To ask the Executive for a commencement date for Phase 2 of the Claremont Estate Windows and Doors replacement programme."

6.0 Notice of Motions

6.1 Submitted by Councillor Eddie Fennessy

"I propose that Meath County Council facilitate angler access within Blackwater Park by way of the mowing of a grassed pathway proximate to the riverside. This measure would enhance this section of the River Blackwater as a game fishery for Navan & District Anglers Association and the numerous visiting Anglers who come to Navan to fish each season. The maintenance of fishery access would also encourage increased angling within the park and contribute to the wider recreational and amenity offer to the people of Navan."

6.2 Submitted by Councillor Francis Deane

"I call on Meath County Council to carry out a speed traffic audit on the Old Athlumney Road where the volume of traffic and pedestrian usage has hugely increased over the past three years due to the new significant housing development built at Ferganstown."

6.3 Submitted by Councillor Francis Deane

"This motion pertains to a previous motion which was passed by Navan Town Council in 2013 and this issue is still outstanding. I propose that Meath County Council erect a sign naming the road Johnstown Wood Avenue (Ascaill Choill Bhaile Eoin) which leads from the Supervalu roundabout at Johnstown to the school campus. In 2013 residents of the area signed a petition and a small stone was chosen by Meath County Council."

6.4 Submitted by Councillor Eddie Fennessy

"To ask the Executive to authorise the painting of Double Yellow lines from the entrance of Maple Lawn to the entrance of Maple Grove, Johnstown Wood. This initiative would prevent illegal parking and make the area safe for vehicles and pedestrians accessing the estate."
