5.0 Notice of Questions

5.1 Submitted by Councillor Eddie Fennessy

"To ask the Executive to publish in Tabular Format, per category, the number of people on the housing list and on HAP in the Navan Municipal District area."

5.2 Submitted by Councillor John Duffy

"Can Meath County Council clarify the position of cycling through Blackwater Park itself, and if this is allowed. Meath County Council Park Bye Laws don't specifically say cycling is not allowed, but there appears to be some confusion on this."

5.3 Submitted by Councillor Francis Deane

"What plans are in place for Meath County Council to ban powered scooters mounting footpaths throughout Navan town?"

6.0 Notice of Motions

6.1 Submitted by Councillor Eddie Fennessy

"To ask the Executive to reposition a disability parking space on outside the Prosper Meath Centre on Cannon Row, to allow drivers of adapted cars to exit safely from the rear of their vehicle."

6.2 Submitted by Councillor Eddie Fennessy

"To ask the Executive to approve the resurfacing of the lane behind numbers 1 to 11 on the McDermott Villas Estate."

6.3 Submitted by Councillor John Duffy

"I call on Meath County Council to investigate the quality of public lighting adjacent to the Entrance to Our Lady's Hospital, Navan. This has been brought to my attention by visitors

concerned about their safety whilst leaving the Hospital late at night."

6.4 Submitted by Councillor John Duffy

"I call on Meath County Council to put in place notices informing the public that both E-bikes & E-Scooters are prohibited from use in Blackwater Park. Notices need to be placed at entrances including the new footbridge when open. There has been a marked increase in the use of E-bikes & E-Scooters in the park in recent weeks."

6.5 Submitted by Councillor Francis Deane

"I call on Meath County Council to erect more pronounced signage at a dangerous bend on the Harristown Road L50522."

6.6 Submitted by Councillor Francis Deane

"I propose that Meath County Council would consider installing a roundabout on the R153, Casey's Cross, as an effective solution for reducing traffic congestion in the area. In recent months, the link road from Johnstown has generated a considerable increase in traffic, adversely affecting traffic flow at this spot."
