7.0 Notice of Questions

7.1 Submitted by Councillor Eddie Fennessy

"To ask the Executive for an update on the proposed safety and traffic control measures at the Balreask junction on the Trim Road."

7.2 Submitted by Councillor Francis Deane

"Does Meath County Council have any plans to install an outdoor calisthenics exercise area in Blackwater Park?"

7.3 Submitted by Councillor Emer Toibin

"To ask Navan Town Council when we can expect to receive a detailed response to my motion submitted in November 2025 - That the Council undertake a full assessment of the impact and effectiveness of the January 2024 traffic direction changes on Ludlow Street and Bridge Street, including the reversal of traffic flow at the southern end of Market Square, where only buses, taxis, and bicycles are now permitted to travel from Ludlow Street. That this review should also include the rerouting of buses through the town centre, with all elements assessed against their impacts on congestion, pedestrian safety, commercial activity, and overall traffic flow."

8.0 Notice of Motions

8.1 Submitted by Councillor Francis Deane

"I call on Meath County Council to erect bollards at Old Athlumney Manor, on the Old Road Athlumney, for a 6-month trial period, in an effort to ease the traffic and facilitate pedestrian usage. This area has experienced huge residential growth in recent years resulting in a significant increase in traffic in addition to a rise in pedestrian footfall."

8.2 Submitted by Councillor Francis Deane

"I propose that Meath County Council will install a pedestrian crossing from the entrance of Boyne View Estate to the Business Park, Athlumney, on Metges Road."

8.3 Submitted by Councillor Emer Toibin

That Navan Town Council supports the implementation of Turas Columbanus / Columban Way signage, way markers and interpretation panels along the Navan–Kingscourt Greenway, recognising the unique heritage of St Columbanus, Navan's twinning with Bobbio, and the opportunity to connect Meath to the wider European Columban pilgrimage network, while recognising that pilgrimage tourism remains a hugely underdeveloped and untapped tourism offering in Ireland with significant potential to attract domestic and international visitors seeking walking, heritage, cultural and spiritual

experiences, thereby enhancing Meath's cultural profile and supporting sustainable tourism, local businesses and economic development."

8.4 Submitted by Councillor Eddie Fennessy

"To ask the Executive to include a Pollinator Garden on the design of the new car park planned for installation next to the pedestrian foot-bridge at Bell Hill/Balmoral."

8.5 Submitted by Councillor Eddie Fennessy

"To ask the Executive to assess and repair footpaths on the Leighsbridge Estate on the Commons Road."
