5.2 Submitted by Councillor Francis Deane - Deferred from October

"What is the status of the proposed plan of work for the junction at Balreask, Trim Road?"

5.3 Submitted by Councillor John Duffy

"Responding to a Notice of Motion on 12/Nov/2025 on Beaufort Place, Meath Planning indicated the taking in charge of Beaufort Place would happen during 2026, what progress has been made on this?"

6.0 Notice of Motions

6.1 Submitted by Councillor Emer Toibin- Deferred from September

"That Meath County Council engage with relevant stakeholders to examine opportunities to enhance the amenity and recreational value of the confluence of the Rivers Boyne and Blackwater, while ensuring compliance with environmental legislation, biodiversity objectives, and best-practice guidance on river management, and that a report outlining the opportunities identified, relevant considerations, and potential next steps be brought back to the Navan Municipal District Councillors within six months."

6.2 Submitted by Councillor Emer Toibin- Deferred from September

"To ask the Meath County Council to conduct a comprehensive audit of the location and number of disabled public parking bays in Navan, including an assessment of whether their current locations are appropriately placed to best serve people with mobility impairments and provide convenient access to key public facilities and services and to assess the provision of disabled parking spaces against Meath County Council's own development standards, which provide for 5 mobility-impaired parking spaces per 100 parking spaces."

6.3 Submitted by Councillor Eddie Fennessy - Deferred from October

"To ask the Executive to approve a footpath repair scheme on the Reask Estate at the Commons Road, including the alleys behind the houses."

6.4 Submitted by Councillor Eddie Fennessy - Deferred from October

"To ask the Executive to approve a footpath repair scheme on the Clonmagadden Fort Estate."

6.5 Submitted by Councillor John Duffy - Deferred from October

"I ask Meath County Council to arrange a civic recognition event to honor Parkvilla Footbal Club who this year are celebrating 60 years in existence, and to recognize their significant contribution to the community in Navan over that period."

6.6 Submitted by Councillor Francis Deane - Deferred from October

"I call on Meath County Council to undertake a safety assessment of the existing ramp adjacent to St. Paul's School on the Rathaldron Road to determine whether the installation of yellow box markings on either side of the ramp would improve pedestrian safety. Concerns have been raised regarding visibility for pedestrians crossing at this location, particularly during busy periods. The introduction of yellow box markings could help provide greater clearance between vehicles and pedestrians and improve sightlines for those using the crossing."

6.7 Submitted by Councillor Francis Deane - Deferred from October

"I propose that Meath County Council install a raised, table-top pedestrian crossing where there is an existing flat crossing at traffic lights on the R153, Athlumney Road. The area would also be made safer if warning amber lights were added here too. This busy area is used by students of the nearby Loreto Secondary School and many walkers."

6.8 Submitted by Councillor John Duffy

"*I ask Meath County Council to investigate the putting in place of a continuous white line on the Kentstown Road from Navan Service Station to the junction of Metges Road. Serious issues of overtaking at speed have been reported on this stretch, with several instances reported by the residents of Athlumney Close when existing from their estate, particularly when turning left".*

6.9 Submitted by Councillor Padraig Fitzsimons

"I call on Meath County Council to extend the footpath from the junction at Bailey Hill to the Andy Connolly Roundabout, in the interest of pedestrian safety."
