Figure in Landscape

by Katie Sweetman

**in the Toradh Gallery on Tuesday June
11th at 7pm.**

The exhibition runs until July 9th

In this collection of paintings I have tried to depict an instant
when children are totally absorbed in the moment.

These moments remind me of when I am totally absorbed in
painting, they are precious moments for me, just as the
moments when children are absorbed in an activity, are
precious. They seem blind to the troubles of the world around
them, which is often a feeling that slips away with adulthood.

I hoped to catch a universality in the pieces, so that the subjects
could be any boy or girl lost in the act of being a child.
