TA/800319	Lagan Cement Limited	P	07/02/2008	development on a site of 6.295 hectares, approximately. permission is being sought to increase the quantum and range of alternative fuels used in the cement manufacturing process to 95,000 tonnes per annum and to include the burning of Solid Recovered Fuel and waste shredded tyre chippings in the existing pre heater and cement kiln. Planning permission was previously granted for the use of up to 50,000 tonnes of alternative fuels consisting of Meat and Bone Meal (Planning Reg. Ref. No TA50145). Planning permission was subsequently granted for the use of an additional range of alternative fuels including wood from construction and demolition activities, saw dusts from the sawmill and forestry industry, and a dried biosludge derived from the water treatment industry (Planning Reg Ref No TA60580). The proposed development is included within the boundary of the area covered by a licence under Part IV of the Environmental Protection Agency Act, 1992 (Integrated Pollution Control Licence No. PO 487-03 for the permitted cement plant, and a Proposed Draft Licence No. PD-487-04 relating to same). The proposed increase in the quantum and range of alternative fuels is for the purpose of an existing activity which requires an Integrated Pollution Control Licence from the Environmental Protection Agency under the First Schedule of the Protection of the Environment Act 2003 Killaskillen and Coppaboggan Kinnegad Co Meath

nt/70056	Joe O'Reilly	P		05/02/2008	<p>F revisions to previously approved permission ref NT/60066. The revisions include the increase of the gross overall floor area form 8,577 sq m to 8,801 sq m. The revisions will also consist of the reduction in the number of residential units from 36 (44 were applied for and reduced by 6 under condition 2 of the grant of permission) to 27, comprising of 1 no one bed apartment, 23 no two bed apartments and 3 no three bed apartments. The number of retail units increase from 5 to 7, with an increase in total floor area of retail units from 642 sq m to 949.7 sq m. An office element consisting of 668 sq m has been added at first floor level to buildings fronting Flower Hill and New Lane. The commercial units remains 1 no 512 sq m. All building heights remain as originally proposed. The number of carparking spaces has been increased from 94 to 96, with 50 contained in upper basement and 46 in lower basement level. Provision of public parking spaces remains at 7. Access and egress remain as originally proposed. Other revisions include minor elevational changes. Further Information has been submitted and the changes made include the increase of the gross overall floor area from 8,801m2 to 8,882m2, the omission of Retail units 1 and 2 at first floor level fronting New Lane. These units are replaced by previously approved residential layout, granted under NT/60066, which comprises of 4 no. 2 bed apartments at ground level and 4 no. two bed apartments at first floor level. The second floor level remains as residential use but comprises of 4. no two bed apartments (previously 1 no. one bed and 3 no. two bed apartments) The overall number of apartments increase from 27, previously comprising of 1 no one bed apartment, 23 no. two bed apartments and 3 no. three bed apartments, to 35, comprising of 31 no. two bed apartments and 4 no. three bed apartments. The retail element reverts back to 642m2, as per previously granted permission NT/60066 and the office element is reduced from 668m2 to 369.4m2. The commercial unit remains 1 no. at 512m2. All building height remain as originally proposed. Carparking, access and egress remain as originally proposed. Elevational changes to New Lane revert back to previously granted permission NT/60066</p> <p>12-19 Flowerhill Navan Co Meath</p>
