DA/800690	McGarrell Reilly Homes	P	12/03/2008	a mixed use residential development comprising of 934 no. detached , semi-detached, terraced, duplex and apartment dwelling units, a reserved crèche site, neighbourhood retail, medical and office facilities, and 2 no. major public open spaces. The site is bounded to the north by established residential development fronting onto the R125 and Newtownmoyaghy Road close to its junction with the R125, to its west by undeveloped zoned land, to the east by undeveloped lands and to the south by the Rye Water River which forms the County boundary with Kildare. The development will be accessed to the south by a new vehicular access to the R148 and to the north by a new vehicular access off the Newtownmoyaghy Road immediately north of its junction with the R125 on an application site area of 35.52 hectares. The road link proposed will necessitate the demolition of an existing bungalow on the aforementioned Newtownmoyaghy Road north of its junction with the R125. The link proposed off the R148, the attendant proposed Distributor Road running in a north westerly direction through the subject site and associated remodelling of the Rye Water River and its flood plain are the subject of existing concurrent planning application Meath Reg. Ref. DA/60553 and Kildare Reg. Ref. 06/2623 both of which are currently the subject of appeals to An Board Pleanala. 2 no. major public open spaces are proposed to run in east west axis; consisting of an area of approximately 5 ha. to run along the entire of the southern boundary, and an area of approximately 1 ha. to bisect the site close to its central axis. The proposed development is divided into 3 no. areas: A, B and C. Lands to the south of the centrally located linear open space are bisected by the proposed Distributor Road, Area A is situated to the west of this road and Area B to the east. Area C is Newtownmoyaghy Kilcock Co. Meath

NA/800614	Oliver Delany	P	10/03/2008	repair and refurbish the existing mill, a protected structure and change of use from derelict former saw mill to private guesthouse/hostel accommodation. The proposed development includes the demolition of an existing derelict one storey lean to stone shed to the southwest corner of the mill together with a four storey lift and staircase structure to the north elevation. The renovated building will accommodate a four storey guesthouse/hostel including shop and exhibition space at ground floor and a restaurant at first floor level. It is also proposed to construct a row of 5 new, two storey, three bedroom self catering holiday cottages and to demolish and replace the unsightly two storey extension to the existing house currently used as B&B accommodation with a new single storey extension. All the necessary parking facilities are to be located to the north of the mill, contained discretely within low banks of earth. The proposal includes the installation of a 113 person equivalent waste treatment plant and a single lane running traffic signal arrangement at Bective Bridge, in order to improve access and safety to the site and nearby bridge The Old Mill Bective Navan Co Meath
