6 Notice of Question

6.1 Submitted by Councillor Francis Deane

Has Meath Co Co any plans to implement an enhancement programme for St Patrick's Park which will help us to make progress to improve our ratings in the litter league considering our low point over the past number of years?

6.2 Submitted by Councillor Tommy Reilly

What plans has Meath County Council to alleviate the traffic congestion from Trimgate Street to the lights at Poolboy Bridge?

7 Notice of Motion

7.1 Submitted by Councillor Francis Deane

As a gesture of goodwill, I propose that Meath Co Co would introduce a paint scheme (similar to that which existed in previous years) for owners of businesses in the heart of Navan Town. The new traffic plan in the town is proving difficult for those consumers and business people who must make adjustments.

7.2 Submitted by Councillor Francis Deane

I call on Meath Co Co to agree to erect a 2.2 metre wall between Abbey Grove (green area) and the proposed development at Nangle Close at this point while Meath Co Co is contemplating its detailed design.

7.3 Submitted by Councillor Tommy Reilly

I call on Meath County Council to install footpath, lighting, and a bus stop at the Borallion between Trim Road and Kilcarn.

7.4 Submitted by Councillor Tommy Reilly

I call on Meath County Council to erect lighting and a proper footpath between Woodlands Estate and Academy Street.
