8 Notice of Motion

8.1 Submitted by Councillor Wayne Forde

“I call on the Executive to consider, if there is any extra funding available, to resurface the roads in St Mary's Park and Clusker Park, to include the alleyway in the middle block leading to Blackcastle Shopping Centre, and that the footpaths in Clusker Park (Nos. 1-104) also be repaired.”

“I call on the Executive to install pedestrian crossings / flashing beacons at the bottom of O'Growney's going across to Cannon row for public safety.”

8.3 Submitted by Councillor Edward Fennessy

“In the interest of pedestrian safety, Navan Municipal District undertakes to install a zebra crossing or other such appropriate pedestrian crossing measure at the junction on circular road where Bridge Street and Academy Street meet.”

8.4 Submitted by Councillor Edward Fennessy

“Due to the lack of business space in the town, that Meath County Council agrees to carry out a feasibility study of the council owned land bank in Farganstown and, if necessary, to zone sufficient proportions of the site industrial and commercial to accommodate the development of a new business park. Further to this, the Council agrees to publish the findings of said report to the Municipal District within six months.”

8.5 Submitted by Councillor Francis Deane

“That Meath County Council will investigate the feasibility of installing speed monitoring technology from Fagan's Lane, Kingscourt Road, past Navan Racecourse to Simonstown Lane, in the interest of public safety.”

Clár / Meeting Agenda

8.6 Submitted by Councillor Francis Deane

“I propose that Meath County Council carry out a report in relation to extending the footpath from Blackwater Retail Park, Kells Road, as far as Newgate Motors, on R147. Thirty five years ago, there was a footpath in place which was removed when the road was upgraded. This is a main approach road to Navan town and considering future development, including the proposed Navan to Wilkinstown greenway, in this area, a footpath is essential for pedestrians.”

8.7 Submitted by Councillor Tommy Reilly

“That this Council remove the Convent Road area from the proposed Navan to Johnstown cycle & walkways due to its historical and heritage significance.”
