6 Notice of Question

Clár / Meeting Agenda

6.1 Submitted by Councillor Wayne Forde

“Can I ask the Executive what are their plans for the old Meath County Council offices on Railway Street? Is this land being sold for private development and if so could we be informed as to what is happening this prime location with readymade buildings and hundreds of Car Parking spaces?”

6.2 Submitted by Councillor Francis Deane

“In relation to a survey carried out by consultants pertaining to community facilities in Johnstown, my question is:

Has Meath County Council identified a site in Johnstown for provision of community and sporting amenities?”

7 Notice of Motion

7.1 Submitted by Councillor Wayne Forde

“Can I call on the Executive to allow and advertise free parking at the old Meath County Council offices on Railway Street which will encourage shoppers to come back to Navan shops from all over Meath which will be great for local businesses that suffered greatly when the new roundabout at Mercy took 5 months to build and we lost a lot of shoppers coming to Navan from Kilmessan, Kiltale , Bective , Bohermeen , Longwood, Trim , and we need to get these shoppers back spending their money in Meath and not in Blanchardstown.”

7.2 Submitted by Councillor Wayne Forde

“Can I call on the Executive to resurface the following roads in Navan: Claremount Estate, Beechmount Vale, Beechmount Gardens , Beechmount Grove , and Beechmount Avenue, St Mary's Park, Clusker Park and Blackwater Park Ellis Road Navan and Blackcastle Estate, and when do the Executive expect that these roads will be resurfaced for public safety.”

7.3 Submitted by Councillor Francis Deane

Clár / Meeting Agenda

"I call on Navan Municipal District of Meath County Council to carry out a traffic management report with a view to installing traffic lights at junction from L5050 to Metges Road, in addition to a filter light turning left from Metges Road to N3, which would create another traffic lane from Metges Road to N3. Huge tailbacks, particularly in the mornings, at school times, are causing problems for motorists and residents of the Johnstown area."

7.4 Submitted by Councillor Francis Deane

"That Meath County Council would look at the possibility of introducing BIG BELLY BINS in Johnstown and Navan. In England such bins have proved to be very efficient, and are economical as well as environmentally friendly. CCTV footage on similar bins has been productive also in preventing dumping of household waste."
