

Clár / Meeting Agenda

Planning, Economic Development and Enterprise SPC

27 September, 2017, Chamber, Co. Hall, Railway Street, Navan

11 September, 2017

To: The Chairman and Each Member of the Planning, Economic Development and Enterprise Strategic Policy Committee

Dear Member,

I wish to confirm that the next meeting of the Planning, Economic Development and Enterprise SPC will be held on **Wednesday 27th September at 9.00 a.m. in the Council Chamber, Co. Hall, Railway Street, Navan.**

The Agenda is set out below. I enclose for your attention the minutes of the previous meeting held on 16th May, 2017.

Yours faithfully,

Seán Clarke
A/Senior Executive Officer

Clár / Agenda

1. To adopt the minutes of the meeting of the 16th May, 2017.
2. To receive a presentation on Draft Variation No. 4 of the Meath County Development Plan 2013-2019. This variation will incorporate the Vacant Sites Levy provided for by the Urban Regeneration and Housing Act 2015.
3. To receive a presentation on the implementation of the Strategic Housing Development initiative introduced under the Planning and Development (Housing) and Residential Tenancies Act 2016.
4. To receive a presentation from consultants MacCabe Durney Barnes on the Housing Strategy currently being drafted as part of the Meath County Development Plan 2019-2025.
5. Any Other Business

Cllr. Alan Tobin

“As part of the planning process for solar farms that communities interests are prioritised so that public walking routes are a mandatory stipulation developed around the perimeter of

all new applications. These public amenities will consist of suitable parking, CCTV to discourage dumping and other illegal activity as well as low level led lighting that works on motion sensors and keeps wildlife disruption to a minimum."

Cllr. Jim Holloway

"In the context of current difficulties managing green open spaces within residential areas, Meath County Council will establish policy in planning for such open space and draw up guidelines of best practice its management based on the principles of sustainability and in such a way as the best make this task both affordable and effective."
