# **Meath County Council** **Polling Scheme**

## **Electoral Act 1992** **(Polling Schemes Regulations 2005)**

### **Introduction**

It is required by Section 28 of the Electoral Act 1992 that each County Council shall at least once in every ten years make a scheme dividing the County into Polling Districts and appointing a polling place for each polling district. Such a Scheme is called a Polling Scheme. The Register of Electors is then produced in accordance with the districts defined within the Scheme.

The making of the Scheme is a reserved function. This Scheme is effective from the 15<sup>th</sup> February 2016.

The Electoral Act 1992 (as amended) and the Electoral (Polling Schemes) Regulations 2005 outline the procedure for making a Polling Scheme
