6 Notice of Question

6.1 Submitted by Councillor Sinéad Burke

“To ask the Executive how many crisis housing places are available for those experiencing homelessness in Navan, where are they and if there are any plans in place to increase the number of these temporary accommodation places?”

6.2 Submitted by Councillor Francis Deane

“Considering the serious problem with a lack of car parking spaces for shoppers in the centre of the town of Navan and bearing in mind the close proximity of the Brews Hill car park to Cannon Row, Railway Street and Trimgate Street, for which it serves as a feeder car park, may I ask

a) what revenue has been generated from the Brews Hill car park for the past three years ? and

b) is the local authority willing to extend the lease for a longer term?”

6.3 Submitted by Councillor Wayne Forde

“Can I ask the executive how much was collected in the LPT last year for Navan Municipal District?”

7 Notice of Motion

7.1 Submitted by Councillor Wayne Forde

“I call on my fellow councillors to support my motion to have an official Bus Éireann stop installed at Athlumney on the Kentstown road, as the bus route 109 to Dublin regularly passes through the townland.”

7.2 Submitted by Councillor Francis Deane

“That a zebra crossing be installed on the Ratholdron Road, approaching St Paul's School, together with the development of a correct, safe and pedestrian-friendly traffic

Clár / Meeting Agenda

plan which will consider an additional school exit, suitable for this growing education campus, expecting to have a much increased pupil population in the coming years.”

7.3 Submitted by Councillor Francis Deane

“That Navan Municipal District will write to Iarnróid Éireann to request consultation with the local authority in relation to the erection of public lighting to enhance the look of our iconic Railway Viaduct, which has seven arches and spans the river Boyne. Built in 1848 on the approach road to the town from Dublin, this bridge, still in use for freight traffic, could provide the area with an interesting addition in relation to tourism.”

7.4 Submitted by Councillor Wayne Forde

“I call on my fellow Councillors to support my motion of erecting a pedestrian crossing on Market Square across from the Bull where there is an existing speed ramp going across to Smyths Public House, as people think this is a pedestrian crossing and I am extremely concerned for public safety, as this is a very busy street, and it's only a matter of time before a car collides with a member of the public.”
