“Navan Municipal District are presently maintaining 11.2 hectares of green area in 76 locations. I call on Navan Municipal District to investigate whether wild flower meadows could be grown in some of these green areas, on a two-year pilot scheme, thereby reducing labour for our overstretched outdoor staff, also could Navan Municipal District look into the possibility of providing grant aid to community/residential groups as a means to reducing their maintenance costs.”

6.5 Submitted by Councillor Francis Deane

That Meath County Council, Navan Municipal District write to An Post with a view to allowing for a set down area which would also accommodate a disabled parking space at the main post office on Kennedy Road, Navan. I suggest this be done in the coming weeks, during the time in which Meath County Council has planned to carry out works to the roundabout near Scoil Mhuire and the post office.
