“Ashbourne Municipal District rejects any monies raised through the Local Property Tax being used to repay the current Land Aggregation Scheme Loan and calls for that money to be used to deliver much needed local services.”

6.2 Submitted by Councillor Darren O’Rourke

“Recognising that the Ashbourne Municipal District area has historically been a very significant net contributor to Meath County Council in terms of rates, Local Property Tax, development levies and other payments, we call on Meath County Council to introduce a fair mechanism of Municipal District funding which reflects this and which includes an element of ring fencing of locally sourced revenue”.
