Clár / Meeting Agenda

“Can I ask Meath County Council for an update to a motion from July 2014 regarding Municipal District flags and the installation of flag poles at Ashbourne Civic Offices?”

5.2 Submitted by Councillor Claire O’Driscoll

“Following the flooding which occurred on the R150 in Kentstown last November, a team was deployed from the Navan Municipal District to ascertain the cause of the flooding. A culvert which runs under the R150 was reportedly damaged and whilst some remedial works were carried out to increase the size of the channel, I was informed further works would be necessary.

Has there been transfer of information from the Navan engineering section to our engineering operational team in Ashbourne regarding this issue and what is the current plan or need to remediate this issue?”
