SCO 4.5 To increase IT Access for all Groups

4.5.1 – Broadband Coverage – To improve broadband coverage in the County	MCC / Department of Communications	<ul style="list-style-type: none"> • Conduct an audit of gaps in broadband coverage. • Convene a forum for providers to present the gaps. • Develop a plan of action to address the gaps. 	NBP	Gaps in Mobile Phone coverage examined and DRCD/DCCAE engaging with Telephone Industry Federation on measures to improve services. Indecon have produced draft Digital Readiness Assessments (DRA) and training on development of Individual County Digital Strategy to be commenced by end of June 2018. Strategic Community Access Hubs (SCAH) have been identified in areas which are likely to be connected late in the intervention strategy. These are existing community facilities that could provide WiFi internet access through a fixed wireless service.	Resolving Coverage gaps will be dependent on commercial viability. The delay in delivery of the DRAs has delayed the Digital Strategy Development which will commence over July/August.	Depends on commercial operators Digital Strategy should be significantly progressed by Year End. SCAH's will not be delivered until mid 2019 as NBP Contract will not be completed until Year end.
