Re: Boyne Greenway, Drogheda to Mornington, Co Meath and Co Louth

To whom it may concern,

I wish to make a submission in favour of the above Greenway as I feel it will greatly add to the amenities of an area which is becoming very overbuilt.

I am aware of the environmental issues re wintering birds in Mornington and have been advised that steps have been taken to reduce or eliminate the flickering which would affect the birds at that time of year.
