Strongly object to the Boyne  
Greenway, as a Local Resident  
have a number of concerns.

Road Safety, As a Local ~~R~~ will  
have to enter, exit on a 4-metre  
wide greenway, it will become  
very difficult and dangerous.

Loss of Private Land, Many Families  
will lose portions of their gardens,  
For Private Property owners, it will  
have big impact on the value of  
our houses, there is distinct lack  
of public infrastructure along  
the proposed route. No parking  
or other amenities provided.
