27th August

To whom it may concern

I refer to the proposed development of the Boyne Greenway. Drogheda to Meenunga and to an earlier e-mail that I sent to you regarding same on the 12th Oct 2019

I wish to state to An Bord Pleanála that I object to this development for two reasons. I feel it will be injurious to the bed sandstone on the banks of the river at Meenunga and I feel that it could contribute towards further flooding from the river in this area

Yours faithfully
