Re: An Bord Pleanála No: PL17307652

Dear Sirs,

I am a resident in the Bettystown area, Co. Meath. The proposed Boyne Greenway has been depicted in an idealistic way, but in several ways it is a good idea. Nevertheless, as a resident of Bettystown, I find it unconscionable that part of the Greenway impacts greatly on a residential area and also a housing estate, Mornington Court. For these reasons I am objecting to this Boyne Greenway.

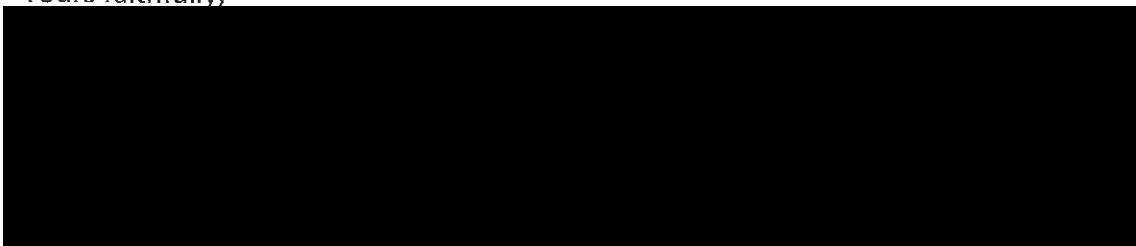

Several residents on the property route will lose large sections of their front gardens and in some instances their privacy will be seriously compromised.

Long established planting of trees, hedging and plants would be destroyed.

Safety on this residential area will be a problem if it goes ahead. We have a high volume of traffic present and this will increase if the Greenway goes ahead causing congestion and delay.

The definition of a Greenway states that it is a strip of undeveloped land set aside for recreational use or environmental protection. To have the Greenway on the above mentioned area is contrary to the ethos of this definition. I am therefore objecting to the Boyne Greenway project.

Yours faithfully,

A large black rectangular redaction box covering the signature and name of the sender.
