Dear Sirs,

Re: Proposed Boyne Greenway Drogheda to Mornington, Co. Meath and Co. Louth .
I welcome the opportunity to make a submission on the proposed Drogheda to Mornington Greenway as submitted to An Bord Pleanála by Meath County Council. I am supportive of the proposal and requesting that An Bord Pleanála approve permission for this project to proceed as it represents essential infrastructure for this developed area and on balance is in accordance with the proper planning and development of the area.

 and I live opposite to the proposed Boyne Trail cycle /walkway .
I have lived there all of my life and deeply love my area and the beauty of the river Boyne and the bird life . We all wish to protect this beauty and diversity .

As a person who has suffered with very poor hearing all of my life , yet anxious to cycle and walk to my local shops ,and to walk for exercise, it has become increasingly difficult and dangerous for me and any of my friends with hearing loss to do this.

The volume of traffic is enormous with heavy goods traffic and buses constantly using this road . With my hearing impairment I am now afraid to use this road (the R150 .)

I would be very grateful to have the cycle \walkway to enable me to enjoy my cycling and walking in my local area in safety .

I am sure all disabled residents of this area would appreciate this facility also ,as they are totally confined by the current lack of any safe footpaths . We all support this initiative.

Kind Regards
