Re: PL 17 307652

Dear Sir's

I am a resident of the [REDACTED]
Mornington and as a local resident of the area
I have several concerns in relation to the
proposed Boyne Greenway Project.

1. Extra traffic and footfall on the Tower Cross/
Crook Road will cause both delays and
congestion and personal safety concerns as
these roads are quite narrow.
2. Over 50% of the proposed greenway
encroaches on the Boyne Estuary Special
Protection Area which would damage bird
and wildlife.
3. With additional traffic there will be increased
littering and loitering in the Tower Cross/Crook Rd
area and the [REDACTED] estate. The numbers of
walkers and drivers will be a cause of concern
for the locals in relation to safety and security.

Hoping you will consider my objection

Your faithfully
[REDACTED]
