I strongly object to the boyme
Greenway, as a local Resident,
I have a number of concerns and
Major concerns for our safety
to enter and exit our houses
along the [REDACTED]
Navigate a 4-metre wide
Greenway on to the R151, would
be very dangerous and difficult,
Loss of Privacy would be another
big concern, Loss of value on
our property, Loss of portions of
gardens, there is distinct lack of
Public infrastructure along the
Proposed route, No parking or other
amenities, along with lots of
other concerns.
