Boyne Greenway, Drogheda to Moenington, Co. Meath & Co. Louth.

"Alone, we can do little; together, we can do so much" - Helen Keller.

I support this with all my heart. As an avid runner, walker I have travelled all over Ireland and ran, walked on a number of our amazing greenways. The joy, the community that the greenway brings is truly second to none.

I know change, development can be difficult but we need to bring positive change to our community. I truly hope with all my heart this greenway is approved.

I support this 'Boyne Greenway, Drogheda to Moenington, Co. Meath & Co. Louth.

Kindest regards,
