To whom it concerns,  
I wish to make a submission  
re The Boyne Greenway. This is  
potentially a wonderful amenity for  
both the residents of Drogheda and  
tourists to the area.

As a working port,  
Drogheda and the Boyne estuary is  
a beautiful living, working river port,  
with fantastic wildlife that the public  
have currently limited access to.

The boardwalk that currently  
exists between Drogheda + Oldbridge

has enhanced Drogheda as a place to live - I find it has provided a safe place to bring children cycling + has improved my children's sense of the role of the river Boylde as a natural amenity. To continue the Greenway to Mornington would be such a positive addition to the lives of the people of Drogheda.

Yours Sincerely,
