I 100% support the Boyne Greenway. Our family have made great use of similar facilities in Mayo and Waterford. They are a fantastic enhancement to any area and a safe place to walk, cycle on your own or with family. It would be a positive development for the area and give safe and controlled access to the Boyne. It is promoting 'Stay safe, stay active' slogan and it is environmentally friendly. Ireland has a perfect climate for cycling all year round.

Kind regards,
