

An Bord Pleanála,

6/9/20

I Am objecting to The current proposal of The potential construction of a Greenway that will terminate in or around [REDACTED] area.

On the Basis that 1. It will be unsafe for residents to access or egress their own properties. 2. There is not enough adequate parking for users of Greenway. 3. It will have a very damaging effect on The natural and protected marshlands. (4) It will result in a significant amount of Greenspace being eradicated from [REDACTED] area which in turn will force young children to play on what will now be a very traffic heavy Laven Road.
