To Whom it May Concern,

I would like to Make an objection
to the proposed Greenway - Drogheda to Rbrington Section
I am a Resident [REDACTED] Who is directly
impacted by the Creation of the Greenway.

- 1) The Boundary wall [REDACTED] is to be removed
with the loss of green space where my children play. It is
a small green area and could not be made any smaller.
- 2) The Bus lay-by which we use will disappear
- 3) Devaluation of People's homes
- 4) I believe the greenway will be unsafe for users and
residents, many of the homes will exit directly onto the
greenway.
- 5) The Coast road is already a very busy road, many buses
cars use this road, there is a strong likelihood of accidents
occurring.
- 6) It will be unattractive and I worry no upkeep.
- 7) The money that will be used to develop this greenway
would be better used elsewhere in footpaths, car park facilities
local amenities

8) I am concerned with the greenway outside my home as I believe there will be more traffic, Pedestrians, litter and increased noise pollution.

It does not make sense to put a boardwalk on a very busy road that has trucks, vans, cars, buses on route to Drogheda and the industrial plants, i.e. Drogheda Waste treatment plant and [REDACTED]

Regards
[REDACTED]
