Dear Sir / madam

Re Proposed green way

Drogheda → Mounington

I wish to object to the proposed  
Boyre green way as a local resident  
as I feel it will bring large  
numbers to the area which is  
a renowned Bird Sanctuary. and  
an area of natural beauty which  
will also bring large numbers of  
people who will naturally will litter  
the area and at night potentially  
cause noise pollution.

Regards
