I would to state my following objections & observances.

(1) Disturb SME, i.e. Local shops & Businesses,

(2) Damage the environment, as in flora & fauna.

(3) It will effect the mobility of citizens getting around as they use to.

(4) It will effect private properties i.e. hard average etc.

(2)

(5) It will effect people from getting public & private transport, for going to & fro.
