To. Who. it may Concern.

We do not agree with the proposed Greenway going Right through our front garden taking 2.5m, from front leaving walkers almost in front of our living Room Window, [redacted] is very busy as it is Service Bus car's and School Bus, which is quite busy. Greenway are always where there is security not through people Houses or gardens. The value of our Home will devalue we are both over 70. Both not good health Waive and this outside our front will add to more noise Not to mention the Danger on leaving our Home
