Dear Sir or Madam,

I am writing to object in no uncertain terms to the new Greenway proposed for Moxington. It will impact very heavily on the environment here. We fought very hard years ago to keep our sand dunes & wildlife sanctuary. We have a lot of nocturnal bats ~~to~~ who are roosting here. We have squirrels, foxes, hedgehogs who visit our gardens at night. They want to take part of peoples gardens away - These people have lived here all their lives & now they want to wreck their peace & tranquility they have enjoyed for years. We have egrets nesting near the post & they want to put a path next to their nesting sites.

We also have seals who bask  
on the walls at the river.  
We love living here & have  
enjoyed the views & wildlife we  
see every day. This road is prone  
to flooding every spring. Please  
~~help~~ help us to keep our sanctuary  
free of noise and the impact of  
people walking at all hours of the  
day would ruin it.

Yours sincerely

  
a very concerned citizen.
