To whom it may concern,

I and my family are residents of Drogheda who are eager to see the Boyne Greenway from Drogheda to Mornington be approved for both County Louth and County Meath. Our family are keen walkers and cyclists and like many other families in the local area, we would personally enjoy this greenway very much.

More importantly, the Boyne Greenway would have the benefit of bringing much needed tourism to Drogheda and surrounding areas, as well as providing a safer, greener commuter route for people who commute back and forth between these areas.

For these reasons, we ask that you approve planning permission for the Boyne Greenway, Drogheda to Mornington, and help us all to enjoy the beautiful scenery of the Boyne for our health, our economy, and our environment.
