**Re: Boyne Greenway, Drogheda to Mornington Co Meath and Co Louth.**

To whom it may concern,

My name is  and I'm a local resident living near to the proposed Boyne Greenway Drogheda to Mornington. I am fully in support of this project going ahead.

Based on the walkway, which currently runs at Oldbridge along the Boyne, Co. Meath, I cannot think of a better resource that can be enjoyed by families, walkers, joggers, the elderly, bird watchers and those who just want a bit of fresh air, in a safe, beautiful environment.

I grew up near to Oldbridge and for years wondered why the area was not better serviced, for tourists and for locals. Today it is packed with people, (socially distanced of course!) and it's a joy to visit. This is all thanks to the investment put in by the local authorities in recent years.

To think a project like that could run at Mornington gives me goosebumps. It's these resources that make a place a real home – an environment to be enjoyed, safely. My children absolutely love going to Oldbridge. I'd love, in a few short years, to be able to say, let's walk to Mornington.

Yours sincerely,
