Re: Boyne Greenway

Dear Sir/Madam,

I would like to voice my support for the Boyne Greenway. I think that the construction of this footpath and cycle scheme from Mornington to Drogheda will enhance the local area, make it safer for recreational walkers and joggers, and make the area more attractive as a tourist destination.

Both the Atlantic way and Waterford greenway are excellent examples of the industry generated by these types of schemes, they support bicycle hire, tours, cafes, restaurants and hotels. Local employment is something our area badly needs. Prior to Covid-19 prompting people to work from home, this area had one of the highest daily exodus for work in the country.

Our walking/jogging infrastructure is badly lacking. 

-  - I have firsthand experience of how difficult it is to find a safe local route to run on. The same can be said for those bringing families out for a walk.

In conclusion, I feel that this scheme can only bring good things to our area and I strongly give it my support.

Kind Regards,
