**Re: Boyne Greenway, Drogheda to Mornington Co. Meath and Co. Louth**

I am writing in support of the above scheme, it will be a fantastic amenity for the whole community, and revitalise a long-neglected area of the region.

There is a great potential for people to appreciate the wonder of our natural flora and fauna, to find mindfulness amongst the beauty of the area, and it encourage improvements in physical activity. It will draw visitors in to the area, and you only have to look at the numbers using the walk from Drogheda to Oldbridge each and every day to appreciate the demand for such a safe facility.

I trust you will take into consideration the widespread support in the area for this development.

Yours sincerely,
