Re: Construction of the Boyne Greenway Drogheda to Mornington, Co. Meath & Co. Louth

I wish to document my support of the proposed greenway from the town of Drogheda (Ship street) to the coast at Mornington, County Meath. It will complement the existing greenway westwards between the town of Drogheda and Oldbridge, County Meath. The value of such an amenity in this heavily populated area will be even more important with the completion of several new housing developments in East Meath.

As a student of Drogheda Grammar School and as a person concerned about climate change, I would love to see a surge in cycling in East Meath to reduce the use of cars, but this will not happen unless there is a safe cycling option.

Yours sincerely
