Re: Boyne Greenway Drogheda – Mornington Public Consultation

Dear Sir / Madam

I am writing to support the proposed Boyne Greenway from Drogheda to Mornington. It would be a wonderful amenity for the people of our town and surrounding areas. With the increase in housebuilding and consequent traffic in the greater Drogheda area in recent years, there is less and less green space and safe roads for walking and cycling, and it is long overdue. People in Drogheda are far too car-dependent and it is having a negative effect on public health and the environment. I understand that there will be a small minority who object to the plans, but I hope that some accommodation can be made, and that the needs of the majority will prevail.

Kind regards.
