Re: Boyne Greenway, Drogheda to Mornington *Co. Meath and Co. Louth*

Dear Sir/Madam,

As a resident of East Meath and an avid user of our great outdoor facilities I am very supportive of the proposed new section of greenway between Drogheda and Mornington as I truly understand the benefits of pursuing outdoor recreational activities.

This will be a fantastic add on to the existing cycle way between Drogheda and Old bridge and I have no doubt it will benefit those that live in the area and equally be a fantastic tourist attraction that will help further enhance the attractiveness of the Boyne Valley Region.

This is a once in a generation opportunity, that will have a lasting positive impact for future generations and let's grasp it.

Yours,
