Re:- "Boyne Greenway, Drogheda to Mornington Co Meath and Co. Louth "

To whom it may concern,

I wish to register my support for the "Boyne Greenway, Drogheda to Mornington, Co Meath and Co. Louth ", proposal currently in front of An Bord Pleanála for decision.

I am a cyclist/walker and have experienced various Greenways, including the Waterford Greenway. Having looked at the proposed layout on the Council's web site I believe that the Boyne Greenway would be a great asset to the Louth and Meath areas.

Yours Sincerely
