Data Protection Privacy Statement for

TRA015 - Parking Meters & Warden Handheld Devices

Who we are and why do we require your information?

Meath County Council seeks to promote the economic, social and cultural development of County Meath and in doing so contribute significantly to improving the quality of life of the people of County Meath. The delivery of high quality services, tailored to meet the needs of all our customers, remains one of Meath County Council's core objectives and is included in our Corporate Plan. This quality service includes not only the level and quality of service given to our customers, but also the quality of our decision-making processes, the efficiency and effectiveness of our corporate operations, standard of our facilities and our ability to adapt in an ever-changing environment. In order to provide the most effective and targeted range of services to meet the needs of the citizens, communities and businesses of County Meath, we will be required to collect, process and use certain types of information about people and organisations. Depending on the service being offered, the information sought may include 'personal data' as defined by the Data Protection Acts and by the General Data Protection Regulation (GDPR) and may relate to current, past and future service users; past; current and prospective employees; suppliers; and members of the public who may engage in communications with our staff. In addition, staff may be required, from time to time, to collect, process and use certain types of personal data to comply with regulatory or legislative requirements.

Why do we have a privacy statement?

Meath County Council has created this privacy statement in order to demonstrate our firm commitment to privacy and to assure you that in all your dealings with Meath County Council, we will ensure the security of the data you provide to us. Meath County Council creates, collects and processes a significant amount of personal data in various multiple formats on a daily basis. Meath County Council's commitment is that the personal data you may be required to supply to us is;

- Obtained lawfully, fairly and in a transparent manner
- Obtained for only specified, explicit and legitimate purposes
- Adequate, relevant and limited to what is necessary for purpose for which it was obtained
- Recorded, stored accurately and securely and where necessary kept up to date
- Kept only for as long as is necessary for the purposes for which it was obtained.
- Kept in a form which permits identification of the data subject
- Processed only in a manner that ensures the appropriate security of the personal data including protection against unauthorised or unlawful processing.

Data Protection Policy

Meath County Council has a detailed Data Protection Policy which outlines how we as a public body are committed to ensuring the security of any personal data you provide to us.

What is the activity referred to in this Privacy Statement?

- Use of parking meters for purchase of pay and display tickets.
- Warden handheld units are used to capture details of an offending vehicle.

What is the basis for making the processing of personal data in this activity lawful?

Processing is necessary to comply with a legal obligation [Article 6(1)(c) of the General Data Protection Regulations, 2016].

We require your contact details

In order to communicate with you, you will be asked for contact details. You do not have to provide all contact details but providing more, such as email, phone, address, makes it easier to communicate. Please note that to help protect your privacy, we take steps to verify your identity before granting access to personal data. These contact details may also be used to verify your identity.

What items of personal data do we need to undertake this activity?

- i. Parking Meters: Read credit/debit card details of which the last 4 digits can be obtained in a backend programme
- ii. Warden handheld Devices: Photos of car registration plate and windscreen which includes tax details, NCT and insurance details.

Some Personal Data such as name and address of registered owner are sourced electronically from The Vehicle Registration Unit database in Shannon, Co. Clare.

This personal data will be used for the following purpose(s):

Registration details are needed to obtain customer's home/business address for the purpose of sending first and second reminder notices and issuing of a court summons.

Photos of car registration and windscreen are captured for proof of the offence.

Is the personal data submitted as part of this activity shared with other organisations?

Meath County Council may, to fulfil statutory or regulatory obligations or in the public interest, from time to time, have to share personal data with other organisations or entities (in Ireland or abroad). Where this is required Meath County Council shall have regard to the security and integrity of the data and will minimise the data shared.

In this activity, the data will be shared with the following recipients:

N/A

In this activity, if the personal data is to be transferred to a different country, it will be transferred to the following countries (if there are no countries listed, it is not intended to transfer the personal data abroad):

N/A

How long is this personal data held by Meath County Council?

Meath County Council has a detailed record retention policy which goes in to more detail of the time period for which your personal data will be retained by Meath County Council and what will happen to it after the required retention period has expired.

The data processed as part of this activity will be retained for the following period(s):

On the Gticket database the information stored for 3 years, however once card details are used they will be shredded or deleted from emails. Smart meters do not store any credit card details.

What will happen if the requested personal data is not provided?

- i. Parking meters- If the credit/debitcard is not read, the parking ticket cannot be purchased.
- ii. There are no consequences in the case of use of Warden Handheld Devices as the data is not collected from the Data Subject directly.

Note: If a registered owner was not driving the vehicle on the day but failed to nominate the actual driver, within 28 days, the registered owner will then be pursued for payment as we cannot accept nominations after 28 days from date of fine issuing.

In cases where a customer claims they had already paid a fine - sometimes the first 6 digits as well as the last four digits of their debit/ credit card will be requested to look in more detail with our card service provider whether or not a fine was paid.
