4. Summary of progress in implementing the JPC's work programme

The JPC strategic plan provides a structured and integrated approach to achieving social, economic and environmental wellbeing of all those that work, live and visit Co. Meath.

In this strategy three strands inform the work of the JPC, namely educational/awareness work, prevention and enforcement. The strategy outlines general aims, so that the JPC can be flexible to adapt to changing priorities and good practice over the term of the Plan.

The priority issues for the Co. Meath JPC have been identified as the following and these are consistent with the Local Economic and Community Plan 2016-2021 and the Age Friendly Strategy 2017-2020 that have been adopted by the Council.

- Crime Prevention – to reduce the levels of crime in Co. Meath
- Community/Personal Safety– to increase people's sense of security in their communities and ensure that they can undertake their daily activities in a safe manner
- Promoting Public Order – to reduce the incidents of anti social behaviour and public disorder in Co. Meath
- Road Safety – to reduce road accidents and fatalities
