We also request that 10 percent of the existing housing stock in the area be ring fenced for people with disabilities and documented medical needs and that this ring fencing is reviewed on a regular basis to ensure that people with special housing requirements are not overlooked.”

“That Trim MD includes the Ballivor to Trim and the Kildalkey to Trim Roads for winter gritting this year. The cost to be funded out of the Municipal District budget.”

8.3 Submitted by Councillor Joe Fox

“With the winter season approaching, I am calling on Meath County Council to investigate the possibility of using private contractors and farmers to grit roads that are not on the existing gritting routes, such as the R156 from Ballivor to Brannockstown and the R158 from Rathmolyon to Enfield . This practice is used abroad and I believe would be cost effective.”
