## *Miontuairiscí / Meeting Minutes*

### **1. Introduction and Overview**

An Cathaoirleach outlined briefly to elected members where the process of the review of the County Development Plan is at and what the elected members can do at this stage of the process, from a planning and legal perspective. The Chief Executive introduced a number of short presentations which were intended to inform members of the planning and legal aspects and to clarify the decision-making process to be use during this Special Planning Meeting.

Senior Planner, Mr. Pádraig Maguire provided an overview of the timeline of the review of the Plan, which commenced with the Strategic Issues Paper (under Section 10 and 11 of the Act), displayed from December 14, 2016 to February 17, 2017. This was the subject of 282 submissions and 393 Notices of Motion. This was followed by the draft Plan which was on display from December 18, 2019 to March 6, 2020, which attracted 2542 submissions and 299 Notices of Motion from the elected members. Resulting out of the consideration of these, the Material Amendments were placed on public consultation from May 31, 2021 to June 29, 2021, with 308 submissions received during that time. On completion and conclusion of these meetings, the County Development Plan 2021-2027 will be formally adopted by the elected members and it shall then be effective 6 weeks from the date of adoption by the members.

Mr. Sean Clarke, Senior Executive Officer, provided an overview of the Chief Executive's Report and the agenda for the Special Planning Meeting. He outlined the voting options available to the elected members and also the options open to the Chief Executive in making her recommendations on the submissions received. The recommendations were as follows: (a) that the Plan be made with a material amendment as displayed; (b) that the Plan be made with a material amendment as displayed subject to minor modifications to the material amendment; or (c) that the Plan be made without a material amendment as displayed. He explained what a minor modification was and also informed members that if they were going to reject a Chief Executive's recommendation that they would have to give clear reasons and the planning rationale as to why they were doing so.

As a follow-on to the previous presentation, the Council's Law Agent outlined the key legal provisions of the Planning and Development Acts 2000-2021, specifically Section 12(10) and (16). He also referenced Section 12(14) regarding the timelines for the making of the Development Plan and explained that this was the purpose of the resolution (item 5) on the meeting agenda. In response to a question from **Councillor Gerry O'Connor**, he explained that the Council was outside the statutory timelines for the making of the Plan, but that the Plan would remain the elected members' Plan and that the Chief Executive's Order is a formal instrument to give effect to the entirety of the decisions of the elected members.

## Miontuairiscí / Meeting Minutes

### 2. Volume 1: Introduction, Key Submissions and Chapters 1-11

#### 2.1 Consideration of the Key Submissions

Mr Alan Russell gave a brief overview of the four key submissions received – from the Office of the Planning Regulator (OPR); Transport Infrastructure Ireland (TII); National Transport Authority (NTA); and the Office of Public Works (OPW).

##### 2.1.1 Office of the Planning Regulator (OPR)

Mr Alan Russell summarised the OPR submission, which acknowledged that the majority of issues raised had been addressed and specifically welcomed alterations to Section 5.7 ‘Sustainable Transport’ and to Section 2.5 of the Core Strategy. The OPR submission contained 5 Recommendations and 1 Observation.

##### MA Recommendation 1 – Tiered Approach to Zoning

The Chief Executive recommendation was that the Plan be made with the proposed Material Amendments (Chapter 2.12 (CS OBJ 10 & CS OBJ 11); Chapter 3.7 (SH OBJ 5); Maynooth Amendment 1 (MAY POL 1); South Drogheda Amendment 1 (STH DRO OBJ 1)) as displayed, subject to a minor modification as follows: to include the following text in the policies/objectives which relate to the Local Area Plans and Joint Urban Area Plans: *‘As part of the preparation of this Plan, a detailed infrastructure assessment, consistent with the methodology for a Tiered Approach to Zoning under Appendix 3 of the NPF will be undertaken’.*

The Chief Executive’s recommendation was proposed by **Councillor Maria Murphy** and seconded by **Councillor Alan Tobin**. In advance of the vote being taken there were a number of clarifications sought on the voting process, the implication of a vote on this recommendation for other recommendations and the process of drawing up LAPs and JUAPs, by the following **Councillors Nick Killian; Mike Bray; Conor Tormey; Gerry O’Connor; Gillian Toole; David Gilroy; Joe Fox; and Brian Fitzgerald**. Responses on these were provided by the Chief Executive; Mr Des Foley, Director of Services; Senior Planner Mr. Pádraig Maguire and the Council’s Law Agent.

## Miontuairiscí / Meeting Minutes

### Ashbourne – Material Amendment 8

In advance of any discussion on this recommendation and in accordance with Part 15 of the Local Government Act, **Councillor Conor Tormey** declared a perceived conflict of interest, having acted on behalf of the landowner in a professional capacity a number of years previously. Councillor Tormey sought advice from the Law Agent and on the basis of this confirmed his declaration and absented himself from the meeting.

**Councillor Alan Tobin** stated that he would vote against the Chief Executive’s recommendation and provided the following reasons for this: (a) the owner is ready to send in a planning application for 7 new homes; (b) there are no guidelines on setback, sound insulation, and engineering solutions for sound and light pollution; (c) engineering and natural solutions do exist to remediate sound and light pollution from the M2; (d) the site has no history of flooding; (e) there is a commitment to completing cycle and walking loops around Ashbourne; (f) access to the site is through Churchfields; and (g) there is existing access to water and wastewater systems.

The Council’s Law Agent reminded elected members that their deliberations must be based on proper planning and sustainable development grounds and asked Councillor Tobin to withdraw some of the reasons stated relating to the landowners’ personal circumstances, which he did. There were interventions from other members, including: **Councillors Nick Killian; Ronan Moore; Joe Bonner; Gillian Toole; Brian Fitzgerald; Trevor Golden; Eugene Cassidy and Gerry O’Connor**. These inputs sought, amongst others, clarification on the rationale for the Chief Executive’s recommendation; the parcels of land under consideration and their link with the proposed park; a live planning application on the site.

Senior Planner, Mr Pádraig Maguire provided responses in terms of the rationale and the process for processing the live planning application. He also advised the elected members that the OPR could seek a Ministerial Order if the recommendation was rejected.

#### Athboy – Material Amendment 3

As the original mover of the motion, **Councillor David Gilroy** set out reasons as to why he would be rejecting the Chief Executive's recommendation. These included: (a) that the zoning had no impact on the Core Strategy; (b) the intention of the landowner to develop a nursing home which is a much needed service in the community; (c) no other lands are available in the town for this type of development; (d) elements of the site are not in a flood zone and engineering solutions could be used as part of the development management process; (e) the site is zoned under the Meath County

## Miontuairiscí / Meeting Minutes

Development Plan 2013-2019. These views were supported by **Councillors Joe Fox; Mike Bray; Eugene Cassidy; Michael Gallagher; and Sarah Reilly.**

Senior Planner, Mr. Pádraig Maguire advised the elected members of the recommendation of the OPR and cautioned against placing a more vulnerable group, older people, in a development on a flood plain. He gave an overview of the two stage planning process - the County Development Plan and the development management process. He strongly recommended not to re-zone the lands and to accept the Chief Executive's recommendation. Councillor Gilroy stated that vulnerable people would not be put in danger, that there are engineering solutions for the site and that the developer would adhere to planning conditions.

#### Clonard – Material Amendment 1

Mr. Alan Russell gave a brief overview of the Material Amendment. A number of elected members provided reasons as to why they were voting against the Chief Executive's recommendation, including **Councillors Joe Fox; Noel French; Aisling Dempsey; Trevor Golden and Ronan Moore.** These reasons included: (a) this was the only land zoned for community with a small amount of residential for local need; (b) the settlement's proximity to the M4 corridor and its good transport links; (c) the developments, as proposed, are required to keep small villages alive; (d) the A2 land is not peripheral to the village.

#### East Meath – Material Amendment 5

Mr. Alan Russell gave a brief overview of the Material Amendment. **Councillor Sharon Tolan** asked her colleagues to reject the Chief Executive's recommendation, citing that: (a) the site currently has planning permission for a driving range; (b) the need to address issues with regards to lack of tourism facilities and the need to encourage tourism in the area; (c) this is the only site available for this type of facility; (d) flood issues can be addressed as part of the development management process with mitigation measures. There was support for these reasons from **Councillor Tom Behan**. **Councillor Nick Killian** asked what 'plan-making justification' means and how up-to-date the CFRAMS report is. Responses on these queries were provided by Senior Planner Mr. Pádraig Maguire.

The roll call vote on MA Recommendation 2 – East Meath No.5 was as follows:

## Miontuairiscí / Meeting Minutes

### East Meath – Material Amendment 6

Mr. Alan Russell gave a brief overview of the Material Amendment. **Councillor Sharon Tolan** provided her reasons for rejecting the Chief Executive’s recommendation, including: (a) there are many homes adjacent to the site and not close to the estuary; (b) its consistent with the sequential approach; and (c) flood mitigation can be addressed at the planning application stage. There was support for these reasons from **Councillor Tom Behan**. **Councillor Ronan Moore** stated that elected members need to take the professional advice on-board, if there is a risk of flooding. He stated that the flooding likelihood is going to increase in the future, it is not good enough to say there are engineering solutions when home-owners currently can’t get home insurance and that elected members need to take responsibility and listen to what the planners are saying.

Senior Planner, Mr. Pádraig Maguire stated that the site is clearly in the flood zone and asked the elected members not to re-zone the lands.

#### Moynalty – Material Amendment 1

Mr. Alan Russell gave a brief overview of the Material Amendment. **Councillor Paul McCabe** provided reasons for the rejection of the Chief Executive's recommendation, including: (a) it's the only available site in Moynalty that is serviced and where the landowner is willing to develop; (b) the site will not compromise the Architectural Conservation Area of Moynalty and will allow for modest local development; (c) it would reduce the number of people seeking to build one-off houses in the area; (d) there is fibre-cable availability. **An Cathaoirelach** also added that there are existing local authority homes beside the proposed site and all of the services are located there. There was support for these reasons from **Councillors Eugene Cassidy; Paddy Meade; Sarah Reilly; and Michael Gallagher.**

Senior Planner, Mr Pádraig Maguire underlined the rationale for the Chief Executive's recommendation. The roll call vote on MA Recommendation 2 – Moynalty No.1 was as follows:

## Miontuairiscí / Meeting Minutes

### Navan – Material Amendment 5

Mr. Alan Russell gave a brief overview of the Material Amendment. **Councillor Padraig Fitzsimons** expressed disappointment with the Chief Executive’s recommendation and considered that: (a) the lands were logical for zoning; (b) they were across the road from a Strategic Employment site; (c) the lands adjoin existing ribbon development; (d) a link road is proposed between the Trim and Dublin roads; (e) there is a full range of services along the route, with a current SHD application up the same road. **Councillor Paddy Meade** indicated that some of the lands under consideration were owned by a distant relative of his but that he did not have a direct link or benefit from the lands and he considered that he was not conflicted.

Other elected members supported the view of Councillor Fitzsimons, including **Councillors Francis Deane; Yemi Adenuga**, with **An Cathaoirleach** asking if there were any other phase 2 – post-2027 lands zoned in the draft Plan. Clarifications were provided by the Senior Planner and the Council’s Law Agent.

Mr. Alan Russell gave a brief overview of the Material Amendment. **Councillor Paddy Meade** informed the meeting that he rejected the Chief Executive's recommendation because: (a) the site is currently used for tourism purposes; and (b) there is sustainable employment on the site.

Senior Planner, Mr. Pádraig Maguire highlighted two issues: (i) the land is subject to flooding; and (ii) it's a Natura site and the Council's environmental consultants highlighted the negative impact that the zoning would have on the site. He strongly advised against the material amendment.

The roll call vote on MA Recommendation 2 – Slane No.4 was as follows:

#### Summerhill – Material Amendment 2

## Miontuairiscí / Meeting Minutes

Mr. Alan Russell gave a brief overview of the Material Amendment, which was referenced in the OPR and OPW submissions. **Councillors Joe Fox** and **Noel French** outlined reasons for rejecting the Chief Executive’s recommendation as follows: (a) only some of the site is subject to flooding and this can be addressed under the development management process; (b) the site is adjacent to support services for the elderly; (c) it is close to the motorway and train line; (d) the zoning is Core Strategy neutral. While **Councillor Ronan Moore** considered that the site was large and could be impacted in different ways, in terms of flooding.

#### Trim – Material Amendment 6

Mr. Alan Russell gave a brief overview of the Material Amendment, which was referenced in the OPR, OPW and TII submissions. **Councillor Aisling Dempsey** outlined the reasons as to why the Chief Executive's recommendation should be rejected, including: (a) the tourism objective would provide motor home facilities to enhance tourism in Trim and surrounding area; (b) community zoning would allow for a much needed crematorium; (c) a site specific flood risk assessment has been done as part of a previous planning application; (d) the zoning is Core Strategy neutral; and (e) questioned whether the Leinster Orbital Route would ever be developed. **Councillors Joe Fox** and **Noel French** supported the reasoning put forward, with Councillor French suggesting that the flooding would make the site more attractive to visitors.

The Senior Planner highlighted that two state bodies were advising not to zone the lands and asked the elected members to consider carefully this advice.

The roll call vote on MA Recommendation 2 – Trim No.6 was as follows:

#### **MA Recommendation 3 – Rural Housing**

Mr. Alan Russell gave an overview of this recommendation as the OPR required the Council to consider what steps it can take at this stage of the process of finalising the Development Plan to ensure that the written statement of the plan and maps relating to rural settlement policies, are based on appropriate current and relevant evidential and statistical underpinnings as required under the relevant Section 28 guidelines.

The Council's Law Agent explained to the meeting that at this stage of the process the option of making change to the draft Plan is not available. It is only possible to make minor modifications to the Material Amendment.

## Miontuairiscí / Meeting Minutes

The Chief Executive recommendation was that the Plan be made without the proposed Material Amendment as displayed.

However, the elected members were advised that in the event that the Chief Executive Recommendation is rejected, minor modifications will be required to the Material Amendment and these textual changes were presented to the elected members for consideration. The rationale for these minor modifications was to ensure consistency with national policy and the integrity of the Plan to allow it to be implemented.

The Chief Executive's recommendation was proposed by **Councillor Gerry O'Connor** and seconded by **Councillor Paul McCabe**.

There were interventions by **Councillors Brian Fitzgerald; Paul McCabe; Joe Fox; Noel French; Nick Killian; Gillian Toole; Michael Gallagher; Paddy Meade; Ronan Moore and An Cathaoirleach**. There was a view that the OPR did not understand the structure of the county, there was regret that it was not possible to change the material amendment at this stage in terms of reviewing the nodes or adding a section on affordability of housing. It was recognised that rural guidelines are promised and that adjustments can be made then, if required. Senior Planner, Mr Pádraig Maguire and the Law Agent provided some responses to questions that arose.

The roll call vote on MA Recommendation 3 – Rural Housing was as follows:

	Accept	Reject	Abstain	Absent

Following the vote, An Cathaoirleach hoped that the OPR takes account of the view and comments of the elected members and the reasoning they had provided for the decision taken.

There was overlap with the recommendations related to the Office of Public Works submission (MH-C52-21) and it was agreed by the elected members to consider this when dealing with the OPW recommendations.

#### Observation 1 – Strategic Road Network

Mr Alan Russell provided an overview on Observation 1, which relates to the proposed Material Amendment on Chapter 5.25 – Table 5.1 Proposed Road Schemes. ## Miontuairiscí / Meeting Minutes

The Chief Executive's recommendation is that the Plan be made with the proposed material amendment as displayed, which was proposed by **Councillor Michael Gallagher** and seconded by **Councillor Alan Tobin**. On a show-of-hands vote with 33 members voting to accept, no member voting to reject and no member abstaining, the Chief Executive's recommendation was adopted.

### MA Recommendation 5 – Proposed Alteration Dunshaughlin No.2

Mr. Alan Russell gave a brief overview of the Material Amendment and the submission from the OPR, which was requiring the omission of the material amendment Dunshaughlin No.2.

The Chief Executive's recommendation is that the Plan be made without the proposed material amendment as displayed. The recommendation was proposed by **Councillor Gerry O'Connor** and seconded by **Councillor Maria Murphy**.

In rejecting the recommendation, **Councillor Gerry O'Connor** set out his rationale as follows: (a) the proposal is supporting the motorway and in line with EU policy; (b) the NTA is already looking for a site to develop a service centre at Derrockstown; (c) the site is adjacent to the motorway and there is commuter demand on the M3; (d) the site was already the subject of a planning application, approved by the ABP Inspector and it is adjacent to the proposed train station as part of Navan rail; (e) the town of Dunshaughlin needs local jobs for the population; . These reasons were supported and complemented by others including **Councillors Maria Murphy; Damien O'Reilly; Brian Fitzgerald; Nick Killian; and Gillian Toole**.

The roll call vote on MA Recommendation 5 – Dunshaughlin No.2 was as follows:

In advance of the vote on the Chief Executive's recommendation on material amendment Ratoath No.3, **Councillor Nick Killian** sought clarification on the nature of the work of the Council's consultants on the lands under consideration. He described the minor modification proposed by the Chief Executive as a 'land grab' and that the area was not intended to be a linear park. He also referred to the construction of the new road junction, a new culvert in the area and the results of a new topographical survey conducted during the summer, which he said concluded that the lands could not be flooded, and stated that he would be voting against the Chief Executive's recommendation. He informed the meeting that he had a copy of the topographical report but that he was unable to provide it as he was not in the county. He suggested that the Council Executive was advising on the basis of out-dated information.

## Miontuairiscí / Meeting Minutes

There were supporting comments from **Councillors Gerry O'Connor; Maria Murphy; Gillian Toole and Deirdre Geraghty-Smith** who referenced the needs of the school to have open space and playing pitches and that if the recommendation was accepted then the school would not benefit. Councillor Toole clarified that she previously sought a community park and not a linear park.

There were other interventions and clarifications sought by **Councillors Joe Bonner; Brian Fitzgerald and Alan Tobin**. In response, Senior Planner Mr. Pádraig Maguire referred to the facts as available and talked members through the three maps as presented. He outlined the CFRAMS map and the extent of the flood risk as identified in 2018. He stated that no evidence has been provided to indicate that the lands in question do not flood. He also outlined again the two-stage nature of the planning process and said it was not sufficient to simply address this issue at planning application stage.

The roll call vote on the recommendation on material amendment Ratoath No.3 was as follows:

He was advised that this declaration should have been made at the outset of the consideration of the Chief Executive’s recommendations on this settlement. He absented himself from the meeting. At the same time, **Councillor Conor Tormey** also declared a potential conflict of interest as a result of his profession and having acted on behalf of landowners previously and absented himself from the meeting

Following advice from the Council’s Law Agent, An Cathaoirleach proposed that the roll call vote would be cancelled and re-commence from the start. This was agreed by the Elected Members. The roll call vote was as follows:

Votes to Accept = 31 members, to Reject = 0, Abstain = 0, Absent = 7. In accordance with this decision, the Chief Executive's recommendation on the 10 material amendments was adopted.

Both Councillors Killian and Tormey re-joined the meeting. An Cathaoirleach asked Councillor Killian to clarify the nature of the conflict of interest and the material amendment it related to. Councillor Killian stated that there may be a perceived conflict of interest given his connection with a landowner relating to Ashbourne MA4.

The Chief Executive was also recommending that the Plan be made without the proposed Material Amendment as displayed (Ashbourne MA 8). This recommendation had been dealt with earlier in the meeting when considering the key submissions.

**Councillor Nick Killian** sought clarification on MA8 and the lands that were voted on as part of this decision. **An Cathaoirleach** considered that what elected members voted on was very clear. As a decision was taken on this matter, the Senior Planner did not wish to comment any further. **Councillor Ronan Moore** also wished it to be noted that the responses provided the day before were not clear.

The Chief Executive also recommended that the Plan be made with a proposed Material Amendment as displayed, subject to minor modification (Ashbourne MA7). This recommendation was proposed by **Councillor Alan Tobin** and seconded by **Councillor Paddy Meade**.

In advance of any discussion on this recommendation and in accordance with Part 15, the Ethical Framework of the Local Government Act, **Councillor Joe Bonner** declared a potential conflict of interest as he knew a number of the landowners around the proposed park and absented himself from the meeting.

### Miontuairiscí / Meeting Minutes

A number of elected members spoke in favour of the material amendment and what it was trying to deliver, in terms of the public park. While some members accepted that 80 acres was ambitious, it was considered that the park will enhance the town and be an investment in its future and for the people of the town. There were interventions by **Councillors Alan Tobin; Aisling O'Neill; Conor Tormey; Suzanne Jamal; Ronan Moore; Nick Killian; and Gerry O'Connor. Councillor Brian Fitzgerald** supported the Chief Executive's recommendation, stating that the 80 acres is not in the ownership of the Council and there are no CPO powers to acquire the lands. **Councillor Gillian Toole** also asked about the implications of this for parks in other Municipal Districts. There were interventions from the Chief Executive and Senior Planner Mr Pádraig Maguire, in response to questions posed by the members.

The recommendation on Ashbourne MA7 was proposed by **Councillor Alan Tobin** and seconded by **Councillor Paddy Meade** and a roll call vote was called as follows:

Votes to Accept = 33 members, to Reject = 0, Abstain = 0, Absent = 7. In accordance with this decision, the Chief Executive’s recommendation on Kells MA3 was adopted.

On material amendment - Kells MA4, An Cathaoirleach informed the meeting that as a member of the Kells MD he did not agree with the minor modification, as recommended by the Chief Executive. He underlined that the lands in question straddle two important routes into the town and it was important that Kells be promoted as a heritage town. He further considered that any town centre type of development should be sequential with the existing town centre. He considered that the submission from Lidl was a good submission but that the proposed store was in the wrong location.

These views were broadly supported by **Councillors Sarah Reilly; Eugene Cassidy, Mike Bray; Michael Gallagher; Stephen McKee; Ronan Moore; Noel French; and Gerry O’Connor. Councillors Alan Lawes and Gillian Toole** made other points which referenced the climate action measures proposed by Lidl and the positive impact that a zoning could have on the town.

The Chief Executive’s recommendation on Kells MA4 was proposed by **Councillor Eugene Cassidy** and seconded by **Councillor Sarah Reilly** and a roll call vote was called as follows:

As part of the introduction to the resolution, the Council's Law Agent outlined the statutory reason for the resolution, in terms of the timelines for the making of the Plan, as set out in the Planning and Development Acts. Mr Sean Clarke also presented the wording of the Chief Executive's Order that would give effect to the resolution, if passed.

There were a number of interventions by the following **Councillors: Aisling O'Neill; Paddy Meade; Brian Fitzgerald; Eugene Cassidy; Joe Fox; Nick Killian; Sharon Tolan; Emer Tóibín; Noel French; Gillian Toole; Elaine McGinty; and Deirdre Geraghty-Smith**. Some members, Councillors Meade, Toole, Tóibín and McGinty, considered that the resolution should include reference to the influence

of national policy on the role of the councillors in making the Plan, while others considered that the wording as presented was the most suitable and appropriate, given the statutory provisions in the Act.

Elected members sought clarifications regarding timelines, in terms of when the Plan becomes effective; the timeframes for the Office of the Planning Regulator to consider the decisions of the elected members and when a Ministerial Order could be made; and also the time limits as to when a judicial review could be initiated. The Chief Executive and Mr Sean Clarke provided responses in terms of the various timelines, as set out in the legislation. The Council’s Law Agent also provided some detail under Section 31 on the process by which a Ministerial Order is made and referred to previous experiences that the Council had.

The resolution was proposed by **Councillor Sarah Reilly** and seconded by **Councillor Joe Fox** and a roll call vote was called as follows:

Following the vote, the Chief Executive informed the members that the Chief Executive's Order would be signed later that day. Mr Sean Clarke reaffirmed for the meeting that the County Development Plan 2021-2027 would become effective 6 weeks from today and also that the period within which a judicial review could be initiated was 8 weeks from today.

In concluding the meeting, **An Cathaoirleach** thanked the elected members for their work throughout the long process of the making of the Plan. He also thanked all members of staff in the Planning Department, from the three Directors of Services for Planning during the Plan making process, to the two Senior Planners and all current and previous staff members involved. He thanked the Management Team and the Meetings Administrator for their work, the Law Agent for his advice throughout the process and during the meetings and all of the support staff from the Council and the Solstice Theatre.

He considered that the making of the Plan is not the end, but it is the means to progress the county. He stated that what the elected members had done during the process was based on evidence, the evidence that elected members had from being on the ground and understanding their communities best. He hoped that third parties would recognise this valued input when they consider the Plan and the decisions made by the elected members. In concluding, he underlined the need for delivery and for the Plan to be used by all to deliver what the county and its people needed.

As a follow-on, **Councillor Maria Murphy** complimented the backroom team in the Planning Department for their support during the process. Senior Planner, Mr Pádraig Maguire thanked the Management Team, his planning colleagues, past and present, for their work and affirmed that the planning staff had provided professional advice throughout the process and that it was now time to
