To whom it may concern,

In September 2020 I submitted my objections to the proposed development of Boyne Greenway.

Nothing has changed in my view, if anything its probably worse because of more traffic on this road. Its continuous with two buses meeting from different directions having to stop to let the other one pass. This happens every fifteen minutes, Delivery Trucks Bin Lorries (etc) Hardly the setting for a nice peaceful + tranquil walk. Also you now have all these electric bikes + scooters that you can't even hear, very worrying about safety of trying to enter + exit my property, which I love as it is and maintaining as best I can.

Where are all these cars going to park?

No car park on new plans or toilets.

MCC have changed nothing on plans except it will not now go as far as Lower Bridge as

It doesn't make sense to have what should be
a calm + peaceful walk on a Greenway would be.
on a very Busy Road with no Toilet facilities
and also what about the Disturbance of our
Birdlife in an SPA + SAC zone Green.
I have been ~~on~~ on many Greenways all Province
to be very enjoyable and tranquil experiences,
which I can't see happen on this very Busy Road
So I ask you please do not let this
Greenway go ahead on this Road and save our
property which we have worked hard to
maintain over the years. Thank you
